To

C. S. Balasundaram Iyer, Esq., B.A.,

Chief Secretary to Government,

Sir,

I have the honour to submit herewith for the orders of Government copy of resolution passed at a meeting of the Shimoga District Board to the effect that the grant of revised scale of pay may be extended as a special case to such of the vaccinators as have put in not less than 5 year service. Of the 11 vaccinators employed in the district only 3 men had the benefit of the revised scale while the remaining vaccinators, who have put in a service ranging from ~~16~~ 7 years could not be brought under the new scale as they possess neither the general educational qualification nor the minimum service of 10 years prescribed.

I am not in favour of accepting the resolution of the District Board as a lowering of the standard in respect of either the general educational or the service qualification would defeat the objects of Government Order No.G. 8821-30 Sany.128-17-5 dated the 15th November 1918. The vaccinators may be permitted to earn their eligibility for inclusion under the new scale by completing ten years of
